Mortgage Choice a top franchise

ACHIEVING the number nine spot on the coveted national topfranchise.com.au list, Mortgage Choice said this week it was proud to be viewed in such a positive light by its award-winning franchise network.

The Top Franchise list is the result of an ongoing franchisee satisfaction review by strategic marketing intelligence agency 10 Thousand Feet, which surveys more than 2000 franchisees from 65 systems across Australia.

Mortgage Choice chief executive officer Michael Russell said he was honoured to represent a brand that was favoured so highly by its network of franchise owners.

"We are really excited about being a part of the topfranchise.com.au top ten list," he said.

"It's great to know so many of our enthusiastic Mortgage Choice franchisees are highly satisfied with their jobs and really value the support they receive from Mortgage Choice's group and state offices."

"When it comes to a franchise system such as ours, the satisfaction of franchise owners and their staff is of utmost importance."

Topfranchise.com.au founder Ian Krawitz congratulated everyone.
